

# WellnessWorks

As a local community business, Wooster Community Hospital realizes that this unique program can play an important role in the local economy by teaming up with business and industry to create a healthy workforce. WellnessWorks has put a physician panel in place consisting of occupational health providers and physician specialists who are interested in helping the local workforce become healthier and more productive.

## Occupational Health Services

Our Corporate Health Consultant works with employers to provide easy access to healthcare information and services.

To enroll or request more information about these services, contact:

**Jessica Staggs**  
**Corporate Health Consultant**  
**Cell: 330-317-7190**  
**Office: 330-263-8212**

Enrolling in the WellnessWorks program is free, and entitles you to certain benefits as an employer. Employers are not obligated to use all benefits – just choose the ones that make the most sense for you and your business. These include:

- Workers' Compensation
- Pre-Employment Screens
- Employee Physicals
- Drug Testing
- DOT and Non-DOT
- Pre-Employment
- Post-Accident
- Return to Duty
- Reasonable Suspicion
- Random Selection Services
- Written Policy Assistance
- Return-to-Work Screens
- Physical Agility Exams
- Functional Capacity Exams
- Work Hardening Programs
- Physically Validated Job Description Assistance

There may be a charge for some of these services, depending on the service and the number of employees involved. Other services may be provided to you at no cost.

A brief enrollment and implementation process ensures that the healthcare providers are informed and aware of your specific healthcare needs.
